### ROUTING HIGHLIGHTS:

Windhoek - Etosha National Park – Windhoek

The Etosha National Park is a must for every visitor to Namibia. The dried out saltpan is the centre of the Etosha Park and the waterholes, both natural and man-made, attract thousands of animals. The scenery is unique and together with herds of antelope, zebra and big game such as elephant, rhino and lion give this beautiful game park its essential character.

ITINERARY:

Day 1 – Tuesdays or Saturdays

Depart at around 08h00 from Windhoek towards Okahandja, where further guests may join the tour. Continue via Outjo into the famous Etosha National Park, where we'll undertake the first game drive. The Park is well known for its huge herds of antelope and zebra. Just before sunset we will leave the Etosha National Park again and drive to our lodge/safari camp just outside the Park.

DBB – privately owned lodge near Etosha Park – preferably Etosha Safari Camp

Day 2 Wednesdays or Sundays

A full day in the Park lies ahead of us. Except for the rainy season, Etosha's animals are depending on artificial waterholes and natural springs. Explore the various waterholes along this enormous saltpan, which is called the "great white place of dry water" in a local language. Lunch stop at one of the rest camps (lunch excluded - for your own account).

DBB – privately owned lodge near Etosha Park – preferably Etosha Safari Camp

Day 3 Thursdays or Mondays

Encounter the big variety of wild life in the Park one more day. Of the 114 mammals species found in the Park, several are rare and endangered like the black rhino of the black faced impala. You have a great chance of seeing some of the bigger mammals, like elephant and rhino and of course a highlight in any safari, the predators. Lunch stop at one of the rest camps (lunch excluded - for your own account).

DBB - preferably Rest camp inside the Etosha National Park; alternatively privately owned lodge near the Park

Day 4 Fridays or Tuesdays

Depart the Rest camp or Lodge and travel south towards Otjiwarongo. Opportunity to join the group en route to Victoria Falls. Continue towards Windhoek via Okahandja where we will visit a local handicraft market. Tour ends on arrival in Windhoek late afternoon.
